Payment is required when services are rendered. We accept the following forms of payment:

- Cash
- Check
- Visa, MasterCard, Discover
- American Express
- Care Credit
- Pet Insurance

We encourage all clients to review the enclosed information on Care Credit and Pet Insurance. These forms of payment provide a very nice budgeting tool in case of serious illness or injury.

Written Treatment Plans with associated costs will be provided for all procedures.

All emergency treatments will require a 50% deposit.

All balances not paid by the end of the month will incur a finance charge of 1.5% (18% per year).

Your signature on this form indicates that you are at least 18 years of age and legally responsible for payment for each visit for each pet listed on the New Client Form. You agree to pay for all services in full when your pet(s) is/are released from the hospital.
